Special Seminar: Supplemental Paid Sick Leave

Effective March 29, all employers of more than 25 in California are required to provide a new COVID-19 paid time off benefit to employees called Supplemental Paid Sick Leave. With a handful of COVID-19 paid time off benefits already on the books, many employers are wondering where this new Supplemental Paid Sick Leave entitlement fits.

Join us Thursday, April 8 at 9:00 a.m. for a special one-hour seminar to discuss Supplemental Paid Sick Leave and how it interacts with other leaves of absence benefits.

- The extension of FFCRA benefits as part of the COVID-19 relief package
- State supplemental paid sick leave requirements
- State and federal law interactions
- Expanded eligibility for paid time off
- Pay stub notice and required postings
